

## *Join ERRP!*

The Eel River Recovery Project (ERRP) has been serving the community of the Eel River watershed since 2011 as a sponsored group of the Trees Foundation, but we have now become our own tax exempt 501 c3 corporation and we'd like you to join us and support our work! Your donation is tax deductible (ERRP IRS EIN #47-4811332).

### ***If you are wondering why you might join, ask yourself:***

*Would you like to see a fully functional Eel River Ecosystem with deep pools full of fish?*

*Would you like to help us try to rebuild native Eel River Chinook salmon back to 100,000 in the 21<sup>st</sup> Century?*

*Do you want to help rebuild the hydrology of the Eel River basin and raise the consciousness of its residents so we can have fishable, swimmable and drinkable conditions 365 days a year?*

*Are you for protecting and expanding Eel River Wilderness and working with local Tribes to restore them?*

*Do you want to support citizen monitoring and data collection that helps people throughout the Eel River watershed understand the health of their stream?*

***Then Support the Eel River Recovery Project by Becoming a Member!***

## ***Specific Projects You Would Be Supporting Include:***

- *Annual Fall Chinook Salmon Assessment*
- *Watershed-wide Temperature Monitoring*
- *Photo-documentation of Flow*
- *Monitoring Cyanotoxins ( w/ UC Berkeley, Counties, State Parks & Tribes)*
- *Public Educational Events - Water Day! Salmon Awareness Festival*
- *Yellow-legged Frog Monitoring*
- *Sacramento Pikeminnow Data Collection & Management*
- *Public School Education – More Kids in the Woods – Round Valley Elementary*
- *Building Tribal Partnerships*
- *Protecting and Expanding Eel River Wilderness and Enhancing Outdoor Recreation Activities*
- *Best Practices Education to Farmers on Water Conservation & Pollution Prevention*
- *Updating the ERRP Website, Facebook page and videos*
- *Adding Resources to the Eel River Library*
